02 Work Experience

2016 - dato ● Product Designer (UI/UX)  
Freelance  
UI/UX Design for several clients.  
research, user interviews, personas, user journeys  
user flows, information architecture, wireframes  
prototyping, interface design, user testing

2015 - 2016 ○ Studioassistent  
Zalando Content Creation  
As part of the Process, System and Innovation  
Team I were responsible for technical and  
Production Support as well as managing and  
improving technical innovations.

2012 - dato ○ Photographer  
Freelance  
Photography for several companys, magazines  
and agencies like Zeit Magazin, HORT, 11 Freunde,  
Vice, G&J Corporate, Style Magazin, Freunde von  
Freunden, Intercity Hotels etc.

2006-2012 ○ Productionassistent  
various clients

04 Education

02/2017 ● Certified UX Designer

2016 - 2017 ○ UX Design  
Careerfoundry  
As Part of the Careerfoundry UX Course I  
worked on the whole UX research and design  
process for Taskly a project management app.  
This involved a comprehensive approach to  
user research, prototyping, wireframing, visual  
design and delivery.

07/2012 ● Dipl. Des (FH)

2006-2012 ○ University of Applied Science Bielefeld  
Faculty of Design  
Learning about Images and how they are  
perceived in different contexts, how to tell  
stories with Image Series and besides that  
learning how to technically do a good photo.

07/2005 ● Fachhochschulreife

2003 - 2005 ○ Fachoberschule für Sozialwesen - Munich

03 About

Hello my Name is Bene(dikt).  
and i'm a Munich born, Berlin based UX/  
UI Designer and Photographer.

I love working with users, understanding  
their individual needs and believe that  
this is crucial to build a great user  
experience. I'm curious to understand  
how people perceive products and  
services.

I'm focused on simple and human  
centered designs that are innovative,  
accessible and enjoyable to use.

I have been fortunate enough to gain the  
trust of several clients and work with  
them together.

Get in touch and lets shape something  
great together.
