03 About

Hello my Name is Bene(dikt).

I'm a Munich born, Berlin based UX/UI Designer and Photographer.

Driven by my curiosity and strong interest in Design, Technology, Human Behavior and Communication, I have now decided after a forming a career in Photography to shift my focus and to UX Design. This enables me to combine of all the things i love.

Since then i've been focusing to create simple-to-use and human centered designs.

I have been fortunate enough to gain the trust of several clients and work with them together.

Get in touch and lets shape something great together.
